NUMBER 2

ETN3 David Barrows To Receive High Honors

ETN3 David Barrows, son of Mrs. Lavon W. Barrows of Gateview Ave., Albany, was recommended for the Award of Navy and Marine Corps Medal on July 11, 1968, by the Commanding Officer of the USS Tolovana, the ship to which he is assigned. David reported aboard the USS Tolovana on March 14, 1968, at Subic Bay.

The recommendation of the award was approved this month by the President of the United States, and the Commander in Chief of the United States Pacific Fleet.

The citation reads:

In the name of the President of the United States, the Commander in Chief, United States Pacific Fleet, takes pleasure in presenting the Navy and Marine Corps Medal to:

ETN3 DAVID BARROWS
UNITED STATES NAVY
for service as set forth in the following:

"For extreme heroism while serving onboard USS Tolovana (AO-64) during the post-deployment period on 12 June 1968. Petty Officer Barrows and a fellow shipmate, while conducting ship's business on the United States Naval Station, Long Beach, California, observed a private automobile career out of control off Pier 9 into the lagoon. When they saw the automobile rapidly sinking and the driver not visible, they immediately, without regard for their own safety and lives, jumped into the water and swam to the vehicle. Seeing that his shipmate was being dragged underwater, Petty Officer Barrows grasped the driver and then assisted in keeping the struggling man afloat until they reached a raft and were able to paddle ashore. Without the extremely brave assistance of these two men, the driver, who is both a husband and a father, would have undoubtedly drowned and this act of heroism would have become one of tragedy. The heroic action of Petty Officer Barrows and his instant and unselfish concern for the safety of this fellow serviceman is in keeping with the highest traditions of

the United States Naval Service."

The presentation ceremony will take place aboard ship at an undisclosed date.

David's brother, A 1/C Bruce W. Barrows, who has been serving with the Air Force in Iceland for the past year will be home on leave due to arrive September 20. He will then be assigned to Lackland Air Force Base, San Antonio, Texas.

Both boys are grandsons of Mrs. Max Ettingoff.

Former Albany Coach Is Dead

James K. (Kelly) Bryan, popular Albany High school coach, physical education and shop instructor in the 30s, was killed early last Saturday in an Arizona automobile accident.

Since his retirement as lieutenant colonel from the Air Force in 1962, he had lived in Santa Cruz where he was active with the city parks and recreation department and had assisted in inauguration of the neighborhood youth corps.

According to reports, Bryan's son, Brian, was returning to Santa Cruz with him from Albuquerque, N.M. His son received minor injuries in the one-car crash.

The Times received the information from Jerome Blank, who was in Santa Cruz over the weekend and read it in the paper.

Bryan taught here from 1930 to 1939.

What Council Did Last Week

Albany City Council last week passed on first reading two ordinances dealing with reorganization.

The first dealt with the office of the Administrative Officer (James B. Turner) and the second created a division of Administrative Services and Finance Director. (If passed to print this week, the full text of the ordinances are published under "legals" today.)

The matter of taking a stand on the Watson Amendment was tabled.

The ordinance establishing Underground Utility District No. 3 was held over for two weeks.

Stop signs were authorized on several streets at the Garfield intersection on a trial basis.

The appointment of Bette Rhodes as acting city clerk was extended through Sept. 17.

A communication from William I. Garren raising questions about overhead crossings of utility wires on Solano Avenue was referred to a work session in two weeks.

City Attorney Larry Saler was asked to prepare a resolution of intention for establishment of a special assessment district for street lighting on Masonic Avenue between Solano and Brighton.

Council gave unanimous approval to landscaping plans of Bay Area Rapid Transit District for an extension of the linear park from Garfield to the El Cerrito line.

In related action, Council reiterated its previous stand urging that the State Legislature find a solution to financing of BART through a compromise between gasoline tax, bridge tolls and motor vehicle registration increases.

Turner was asked to investigate a building at 1121 Washington.

Following announcement of dates for special work sessions, Council adjourned at 9 p.m.

The baby, weighing three pounds, five ounces, was born early last Thursday at Brookside hospital.

Her parents arrived here Sunday, Sept. 8, to visit. They named her after her maternal grandmother, Mrs. Shirley Jensen, and her aunt, Cheri Lee (Jensen) McMartin.

BOTH BALLOT ITEMS WIN COUNCIL ENDORSEMENT

Albany Propositions F and G for the Nov. 5 ballot to remove the 35 cent tax the city collects for the schools (F) and transfer its collection to the schools (G) received the endorsement of Albany City Council Monday night by a 3-2 vote.

Mayor Richard Clark and Councilmen George Hein and Lewis Howell voted in favor of the endorsements. Councilmen H. K. Call and Joe Carlevaro indicated they would change their

no votes to yes if and when the Board of Education indicates by resolution that it will endorse both measures.

City Attorney Larry Saler was directed to defend the city in a writ of mandamus filed by former policemen and firemen, Jerry Newhouse, Lawrence Varni, Fred Pimental, Vern Freeman, Kenneth Symington and Frank Davis.

The petitioners are seeking pension increases corresponding to salary increases in the ranks since their respective retirements.

Council voted to send letters to the Governor and representatives in Sacramento expressing opposition to increasing sales taxes to help finance the Bay Area Rapid Transit deficit.

Ordinances pertaining to the Administrative Officer and Finance Director were passed to print (see legals today). Also passing unanimously was a resolution regarding street lighting on Masonic Avenue and setting Monday, Oct. 7, as the date of the public hearing on the district.

Several communications were filed. Finance Chairman George Hein was directed to attend a conference discussing broadening the municipal tax base. A request from Ralph Johnson requesting permission to establish a ball bond agency at 928 San Pablo Ave., was referred to Saler and Police Chief Ralph Jensen.

Council went on record opposing a proposed median strip on San Pablo Avenue and held over for discussion charges for benches at bus stops and an amendment to the City Code dealing with Civil Defense and disaster.

Councilman Call was wished a happy birthday and Senator Nick Petris will receive a resolution of commendation from Council for his property tax exemption bill, co-authored by Sen. George Miller of Contra Costa county.

Jerry Talley and Ralph Buckwalter expressed displeasure at Council endorsements of the items on the November ballot and, in answer to a question, was told that Albany would have a voice in what publications will be in the library after it becomes part of the county system and that if the city decides it doesn't like being part of that system, it can withdraw.

The meeting adjourned at 9:50.

Where's The Fire?

The speaker will be Carl Weers, assistant chief engineer of the American Insurance association (formerly the National Board of Fire Underwriters). His subject will be "Fire Safety Today." As the first week in October is Fire Prevention week the talk will be very timely.

Coming next year is a 14-day trip through Canada and to the Stampede in Calgary, Lake Louise, Banff, Victoria and other places of interest. Tentative date is around July 1. Also for next year is a trip on the Skunk Railroad and through the wineries on the way home.

Members of Council Catholic Osesan as well as members of Church Women United of El Cerrito, Richmond, Oakland and Alhambra will attend.

Following the meeting refreshments will be served by the women of St. Joseph's.

A MAZE OF PIPES, hoses, gauges, water and roaring engines indicates that the Albany Fire Department is again going through their annual equipment test as required by the A.I.A. Captain Ray Gonzales, in charge of water supply, and Captain Bill Lanctot, in charge of equipment, supervise the testing. Fireman Frank Heaney operates the pumping engine during the test. Captain Lanctot reported that all equipment met requirements after the grueling tests. This activity was held at the Berkeley Fire Department drill tower through the cooperation of that city. —AFD Photo.

Red Cross Offers Sea View Spaders Classes for Visits to Elderly

A recent survey of an East Bay convalescent hospital showed that 30 per cent of the elderly patients had not had a single visitor in the last year, reports Miss Constance Ardley, chairman of the Red Cross Activity Volunteer program, underscoring the need for this service in Berkeley.

Miss Ardley has announced that a training course for volunteers interested in conducting leisure time group activities for convalescent home patients will start Wednesday, Sept. 11 at the Berkeley chapter. Classes meet from 9 a.m. till noon on eight successive Wednesdays.

"Leisure time activities include such things as helping patients give birthday parties and decorate for holidays, organizing games they can play from wheel chairs, or putting on a slide show or song fest," Miss Ardley explains. "Their response to just a little attention is wonderful—I have seen old people who haven't spoken to anyone for days get up and dance during some of our music sessions."

Twenty-three Red Cross Activity Volunteers are now assisting the recreational therapy staffs in nine local hospitals.

Those wishing to join the Activity Volunteer program may register for the required training by calling Mrs. Robert Lemon, Director of Community Services at the Berkeley chapter, American Red Cross. No special qualifications are required other than a desire to bring new interest in life to isolated and lonely oldsters.

Note of Thanks

I was recently a patient at Albany Hospital for several days and in the past on various other occasions have been a patient in other hospitals in the area.

I am taking this opportunity to state that the service, food, accommodations and personnel at the Albany Hospital are second to none.

Albany is indeed fortunate to have such a fine institution available. If I am ever unfortunate enough to be hospitalized again, I assure you it will be at our own Albany Hospital.

REPUBLICAN MEETING TO DISCUSS TAXATION

Albany Republican Assembly will meet at 8 p.m., Wednesday, Sept. 25, at Cornell school cafeteria to present an objective view of "Taxes."

The November ballot will include a most important issue — Proposition 9 — an amendment to place a ceiling on property taxes. The implications are enormous and far-reaching.

Two outstanding authorities have been invited to present the issues. Robert E. Hannon, chairman of the Board of Supervisors, is intimately concerned with the collection and use of tax money. As a candidate for State Senate, he faces the demand for legislation to revise the tax structure.

Kenneth M. Forry, Albany Superintendent of Schools, is equally concerned for support of our schools. Both men are our representatives and will be talking about our problems. They will

have most of the answers to our questions.

The November ballot contains enough propositions to confuse everyone. There is something for everybody! The "tax rebellion" is real—just as the problems are real for which taxes are levied.

Naturally, there are two sides to such vital questions. In the general discussion, questions from the audience will focus attention on important arguments.

Cougar Cubs Trounce Marin Catholic

On Thursday of last week the Albany High Junior Varsity started off the season in the correct manner as they soundly trounced a good Marin Catholic team to the tune of 12-0.

Marin Catholic kicked off to Albany, and, after a 20 yard run-back by Dan Loughran, Quarter-back Bob Fisher directed Albany on a 63 yard scoring drive as he mixed passes to Tim Johnson and Jon Etingoff with runs by Shawn Ridley and Randy Hanson. Finally Bob finished the well-directed drive by rolling out and hitting Tim Johnson on a nine yard scoring pass.

Late in the fourth period, as the Marin Wildcats were vainly trying to get back into the game, Herb Russell picked off an errant pass and romped for a 25 yard touchdown.

Throughout the game the Wildcats were continually thwarted as Jon Etingoff, Allen Luty, Barry Hexton, Tim Johnson and Mike Granko came up with the key plays to throw the visitors for losses.

The next game for the AHS JV's will be on Thursday, the 19th, when they meet St. Patrick's of Vallejo for a home game at 3:30.

Auxiliary Birthday

Albany unit 292, American Legion auxiliary, will meet Monday, Sept. 23, at 8:15 p.m. at the Veterans Memorial building. President Maude Talmadge will preside. This will be the unit birthday party honoring the past presidents. Junior Past President Beverly Willis will be chairman of the evening.

100F

Berkeley lodge 270, Independent Order of Odd Fellows, will meet on Thursday, Sept. 19, at 8 p.m., at Berkeley Odd Fellows' Temple, 2288 Fulton Street. Noble Grand Albert P. Brewer will preside. Visiting Odd Fellows are welcome.

SENIOR CITIZENS

846 Masonic Ave.

By Emma Claymore

My column has been so efficiently taken care of in my absence that I am afraid there is little left for me to report this week.

I do wish, however, to thank everyone for their cards and kind words of sympathy for me in the recent death of my son.

The usual jolly crowd was present at the Center on Sept. 12 to play bingo, enjoy community singing and play cards after lunch.

Quite a lot of interest seems to be generating in the creative stitchery class to begin on Tuesday, Oct. 1, from 10 to 11:30 a.m. It seems strange how old hobbies become new hobbies again after

a certain number of years. The cost of this course is \$6 for eight lessons, including a beginner's kit of materials. You do not have to be a member to register.

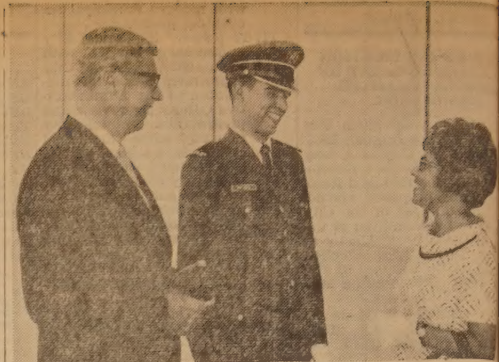

Bridge may be played at the Center on Fridays beginning at 12:30. Ceramic and art classes are held Wednesdays from 10 a.m. to 5 p.m. Community service work is every Friday from 10 a.m. to 5 p.m. under the direction of Martha Crawford.

A trip for October is in the planning stage and will be announced later.

For information about the Center or its activities, call 526-1601 or the Recreation Department, 525-5704.

Myra, Elmer Bouchet Observe 50th Anniversary

Myra and Elmer Bouchet of 1042 Ventura Ave., Albany, were honored at a Golden Wedding Anniversary reception Sept. 8 at the Northbrae Community Church in Berkeley, hosted by their three children, Robert Elmer, Donald Le Roy, and Claire Louise Shiels.

The reception was attended by about 70 relatives and friends. Delicious sandwiches, hors d'oeuvres and punch were served and a three tier anniversary cake was cut and served to all the guests.

The Bouchets have resided in their present home more than 38 years and their three children

attended and graduated from Marin Elementary and Albany High schools, after which attended and graduated from the University of California.

Mrs. Bouchet was active PTA work in Marin and Albany High schools and is a member of the University of California Mothers club.

Bouchet is retired from Pacific Telephone Co. after 40 years service.

The Bouchets are members of the Northbrae Community church and the Albany Senior Citizens. They have 11 grandchildren.

Bort, Hannon Speakers for GOP Women

Albany Republican Women Federated, will meet at Luncheon in the Friendship Room of Security Savings & Loan, 1 Solano Ave., at 12 noon Wednesday, Sept. 25.

Guest speakers will be Supervisor Joseph Bort, candidate for reelection, and Robert Hannon, candidate for the Senate. President Marjorie Stott comes all who care to attend. Reservations for luncheon should be made with Irene George, 525-5605, or Ivahdell Rolfe, 4282, not later than Tuesday, Sept. 24.
